## About the Campground

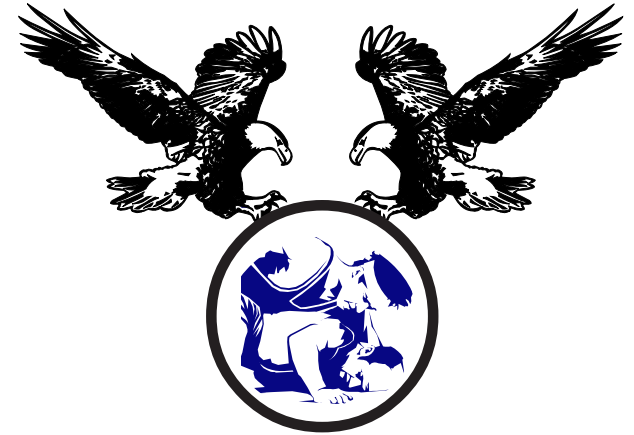

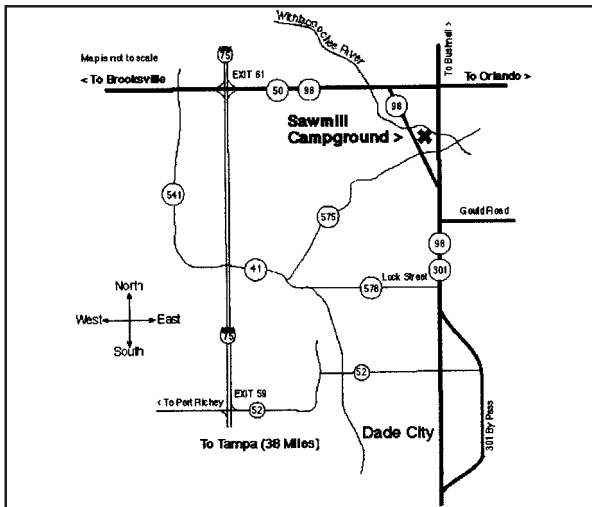

**SOCIAL:** The campground is open year-round, and thus serves as a second home to a large group of campers. Each weekend has a designated theme. We will be there during the Mardi Gras/ Valentine's celebration. They have events each night at the rec hall. In addition, there is an outdoor stage area, where shows are performed.

**WRESTLING:** There will be a large tent covered area for freestyle. The submission wrestling will take place inside the rec hall. There is an additional semi private barn area for oil matches. All of these areas in within a close walking distance to each other and the campsites.

**TOILETS/SHOWERS:** Are located close to our camping area. They are more than adequate size for the group. Shower facilities are group showers (oh, darn!)

**WHAT TO BRING:** March in Florida is warm compared to the rest of the country, but it does get cool, especially at night. We advise some warm clothing. Of course, bring your tent and camping supplies. A swimsuit is a must (pool is heated). Don't forget your wrestling gear!

**MEDICAL:** Standard first aid items will be available. In addition, medical staff will be able to provide taping, etc. Please note, however, that medical services and advice are provided under the guidelines of "good Samaritan" treatment only, and cannot replace regular medical care. Each wrestler will complete an agreement to hold harmless on registration to the campground.
